November 2020 and venue to be determined

July 20, 2020

Dear Sponsor,

On behalf of the Asian American Heritage Council of Central Florida (AAHC), we are soliciting your financial support with regard our Student Achievers Scholastic Awards event held this November 2020, with venue to be determined later.

AAHC, is a nonprofit 501(C)3 organization in existence since 1980 with a mission to preserve the culture and heritage of Asians, to advance their civic, educational and social interests, and promote their cultural diversity. As part of that mission, AAHC holds annual event to recognize and honor Asian American students for their academic excellence.

We are looking for qualified and deserving Asian American students who can participate in a competition for scholastic awards based on their academic achievements and notable community service. The competition is open to all elementary, middle school and high school students.

In the past AAHC will host an "Asian Cultural Festival" in May to celebrate Asian American Heritage month with purposes of showcase a wide variety of Asian American cultures and fundraise the Asian Student Achievers' Scholastic Awards. Due to COVID-19 pandemic, AAHC was not able to host the festival in May 2020.

We are writing to solicit financial support of your organization so that AAHC can host annual award ceremony to recognize Asian American students for their academic and community services excellence.

If you have any questions, please feel free to contact Tsuey Ing Lavender, Chair of AAHC at 321-848-1967. Thank you for your support in this endeavor.

Very sincerely yours,
Asian American Heritage Council
